EASTER GREETINGS AND BLESSINGS TO EVERYONE!

I want to encourage all of you today. I say, *God bless you and God loves you.* We all live a stressful life where everything is always in

a hurry. There are deadlines to meet, children to drop off to school, and we're busy throughout the work day. All of these every day tasks can be so overwhelming.

However, God says, *I don't want you take on all of those burdens throughout the day.* God says, ***I want you to rest and use wisdom to know when to take a step back, breathe and relax.***

God says, *I will never leave you or forsake you.* He understands the temptations of the world.

God says, *I have already made an exit plan for you. When things get too difficult, pass your burdens to me. I see all that has happened to you, and you can trust and believe my word.*

CORINTHIANS 10:13:

"No temptation has overtaken you except what is common to mankind. And God is faithful; he will not let you be tempted beyond what you are able. But when you are tempted, he will also provide a way of escape so you can bear it."

I say to you good people, God is everywhere - he is that powerful. Take the time to believe and understand that he can take away your burdens, and he won't let them stack up on you. Give those extra burdens to God, let God make you free. God loves you beyond your understanding. Take time today to reach out to him and let God know your problems and watch how he washes them away.

If you are ready to help us put love into action – I invite you to join us and connect with the Spiritual Life team. Please contact me at: Yulon.Jones@rmsyr.org or 315-701-3835.

I hope you have a most joyous Easter,

Rev Yulon Jones

PRAYER PARTNERS

"Pray I can get through the first anniversary of my mother's passing, that my financial situation improves, I can meet new people, seek new opportunities, visit new places, and also pray for more new housing in our area."

"Pray for good health for me to witness at One-Day Surgery in Auburn."

"I have been feeling a strong desire to pray for a husband and to find a good, healthy community of people to be a part of. I am relying on God to reveal my career path and to bring the right people into my life as friends. Ultimately, I want to find my purpose partner, someone who can help me fulfill my potential and achieve my destiny. If it is God's will, I hope to meet my future husband soon. In addition, I am curious about what the year 2024 will hold for me and how I can navigate living with my parents in my hometown during this season of my life."

"Thank you for all that you do [...] My husband is 86 and still driving for NAPA, delivering parts for cars and trucks three days a week! So yes, pray for my husband. God bless every one of you."
