

# IN-KIND GIVING

## Donate Goods or Services to Support Our Mission.

Not every contribution has to be financial to make a meaningful impact. In-kind gifts are donations of goods or services that help the Rescue Mission provide care, dignity, and support to neighbors experiencing hunger and homelessness.

Corporate partners, local businesses, and community groups often find that in-kind giving is a powerful way to support the mission while engaging employees and customers.

## WHAT ARE IN-KIND GIFTS?

An in-kind gift is a non-cash donation that directly supports our programs and operations.

These contributions can include:

- Essential supplies used in our shelters
- Clothing and household goods
- Professional services
- Equipment or materials

These gifts help us meet immediate needs while ensuring more financial resources can go directly toward critical programs.

## Ways Businesses Can Give In-Kind

### HOST A COMMUNITY DRIVE

Businesses, schools, and community groups can organize a collection drive for items our guests need most. Popular drives include:

- Hygiene items
- Socks and underwear
- Towels and linens
- Winter clothing

Hosting a drive is a great way to engage employees, customers, or students while making a tangible impact.

### DONATE PRODUCTS FROM YOUR BUSINESS

Many companies support the Rescue Mission by donating items directly from their inventory or product lines. Examples include:

- Hygiene and personal care products
- Clothing and footwear
- Cleaning supplies
- Food or kitchen items
- Office or program supplies

These donations help ensure our shelters and programs remain well-stocked for those we serve.

### PROVIDE PROFESSIONAL SERVICES

Businesses can also contribute through skills-based volunteering or donated services. Examples include:

- Marketing or design services
- Legal or financial consulting
- Facility repairs or maintenance
- Medical care
- Hygiene support

Donating professional expertise can have a lasting impact on our ability to serve the community.

## Why In-Kind Gifts Matter

In-kind contributions allow the Rescue Mission to:

- Meet urgent needs quickly
- Provide comfort and dignity to guests
- Reduce operational costs
- Extend the impact of financial donations

Every donated item or service helps strengthen the support we provide to our community.

## READY TO GET INVOLVED?

If your company is interested in donating goods, hosting a drive, or providing services, our team would love to connect with you. Together, we can create a partnership that makes a real difference for our neighbors in need.
